3M Disposable Protective Coverall 4540+

Product Code :

LBNY-00017-11000567

Description :

3M Disposable Protective Coverall 4540+CS helps protect against certain light liquid splashes and hazardous dusts, including nuclear particles. This coverall offers a collared option for situations where a hood is not required or may interfere with alter

Lightweight, breathable material helps keep workers cool and comfortable

Extra room in arms and legs allow for free movement on the job

Seamless shoulders and sleeve tops help provide increased comfort and fewer potential entry points for contaminants

Protective coverall helps protect against certain light liquid splashes and hazardous dusts

3M Protective Coveralls are designed for use in industrial workplaces as a physical barrier to help prevent skin contact from liquid splashes and dust in certain work environments. Seamless shoulder and sleeve tops help provide increased comfort and fewer potential entry points for contaminants. In addition.

Meets government standards for Type 6 Splashes, Type 5 Dust, Anti-Static and Nuclear protection

Does not contain components made from natural rubber latex to help prevent reactions from users with latex sensitivities or restrictions.

Three panel hood design helps provide a more comfortable fit and a sleek, low-profile style.
