Product Name :
3M Disposable Protective Coverall

Product Code :
LBNY-00017-11000582

Description :

Disposable Protective Coverall protect workers from certain light liquid splashes and hazardous dust while enhancing movement and comfort. Built for protection and designed for comfort, this protective gear features breathable back panels and an anatomical fit for enhanced wear, coverage, and comfort while working. Anti-static coating on both sides helps reduce static build-up and prevent the risk of static discharge during use. Elastic waist, ankles, and wrists for convenience and freedom of movement. Does not contain components made from silicone to help prevent reactions from users with silicone sensitivities or restrictions. Two-way zipper with storm flap for convenience and to help provide additional protection. Does not contain components made from natural rubber latex to help prevent reactions from users with latex sensitivities or restrictions.
