Product Name :

3M Disposable Protective Coverall 4520

Product Code :

LBNY-00017-11000583

Description :

3M Disposable Protective Coverall Safety Work Wear 4520CS helps protect against certain light liquid splashes and hazardous dusts. This coverall offers a collared option for situations where a hood is not required or may interfere with alternative head,

3M Protective Coveralls are designed for use in industrial workplaces as a physical barrier to help prevent skin contact from liquid splashes and dust in certain work environments. Seamless shoulder and sleeve tops help provide increased comfort and fewer potential entry points for contaminants.

Elastic waist and ankles for convenience and freedom of movement

Two-way zipper with sealable storm flap for convenience and to help provide additional protection

Protective coverall helps protect against certain light liquid splashes and hazardous dusts

Microporous PE laminate offers a barrier against hazardous particles and liquid splashes

Breathable, SMMMS fabric back panel helps improve air ventilation and reduce heat build-up

Reinforcement gusset between the legs to help provide increased durability during bending and squatting

Meets government standards for Type 6 Splashes, Type 5 Dust, Anti-Static and Nuclear protection.
