Product Name :
Wells Lamont Cut-Resistant FR Sleeves

Product Code :
LBNY-00017-11000585

Description :

Made of a combination of high performance materials and flame resistant fibers, which will allow it to be used where incidental protection against flame and sparks are required.
Unique knit sleeve made from a patented combination of high performance materials and flame resistant fibers
Elastic on both ends allows sleeve to stay in place
Knitted using strong para-aramid yarns
Lightweight construction will increase employee acceptance and reduce the risk of injury
Composite Cut-Resistant FR Sleeves offer a high level of cut protection, while also providing outstanding comfort and fit.
Blousy fit allows superior comfort and breathability
Available in several lengths, with or without a thumb hole, and also a wide top design for larger biceps.
