Product Name :

3M Gray Protective Coverall 4570

Product Code :

LBNY-00017-11000592

Description :

Protective coverall helps protect against a range of chemical jets and sprays

Heavy-duty fabric with a soft anti-static treated inner layer offers protection and convenience

Protective Cover all 4570 helps protect against a range of chemical jets and sprays, and has been certified to Type 3/4/5/6 levels of protection.

Elastic around the head for secure fit

Elastic around the face to ensure secure fit

Elastic at the calf to provide closure around the top of the footwear for protection against contaminants

Elastic around the ankle for protection against contaminants and enhanced fit

Stitched seams are sealed with a 5-layer chemically protective tape

Two storm flaps create a double seal for extra protection

Large thumb loops and zipper pulls offer convenience while wearing gloves

This suit achieves the highest-class performance on all tests and passes for helping to protect against biological contaminants.

A Versatile Protective Suit for many Applications

Knit polyester cuffs for user comfort

Anti-static, low-linting, microporous

3M Protective Cover all 4570 offers chemical hold out and mechanical strength for workers in environments with chemical exposure.

Universal size with ties to provide a good fit for a wide range of users.

The suit helps protect against hazardous dusts (Type 5), light liquid splashes (Type 6), low pressure liquid sprays (Type 4) and high-pressure liquid jets (Type 3).

Lightweight and comfortable to wear.
