Product Name :

Wells Lamont Black Hi Vis Performance Quarter Socks

Product Code :

LBNY-00017-11000600

Description :

Men's Performance Work Socks provide support and protection for your feet while you work. Socks feature reinforced heel and toe as well as an Achilles heel pad for added protection and comfort. The socks non-binding top do not slip down and provide all-day gentle comfort. The mesh upper foot is designed for ventilation and moisture evaporation, keeping your feet dry throughout the day. Added compression at the arch provides added support and stability.

Technical Specification :

Wells Lamont Black Hi Vis Performance Quarter Socks
