Product Name :
3M Hooded Anti-Static Protective Coveralls

Product Code :
LBNY-00017-11000608

Description :

Made of bicomponent nonwoven with ultra-low linting PE laminate for a noticeably comfortable drape
3 panel hood, 2-way zip and storm flap with sealable tape with elasticated back and ankles to reduce the risk of skin exposure
Taped seams across the suit for increased hold out and strength reducing the risk of tearing and exposure
Comfortable coveralls made with high-performance fabric offer advanced quality and protection in challenging conditions such as exposure to hazardous dusts and particulates.
Anti-static coating reduces static discharge and the risk of sparks
Nuclear particulate hold out Til class 2.
Type 4/5/6 Coverall designed to offer a very good barrier to hazardous particles and limited liquid splash and spray
Protection against Biological agents.
