Product Name :
Brady Temporary SecurAlert Adhesive Back Badge

Product Code :
LBNY-00017-11000651

Description :

SecurAlert adhesive-back badges expire automatically to prevent automatic use. The expiration begins when the "front" badge is placed on the "back" badge. Expiration cannot be reversed once started. Prevent temporary pass misuse. Brady Temporary SecurAlert Adhesive Back Badges are an ideal option for preventing unauthorized use of temporary visitor or contractor passes.
