Product Name :
MCR Safety Rain Coats

Product Code :
LBNY-00017-11000653

Description :

The 300C yellow 2 piece coat is a 49 inch knee length option with a detachable hood and storm flap under a snap up front. No Magic here, the Wizard is just that tough! Limited flammability, NOT intended for use as protection against ARC Flash or Flash Fire.

Wizard Series Material offers a .28mm double coating of PVC with tough nylon scrim material layered in between. The Nylon Scrim has excellent rip and puncture resistance.

Storm flap under snap front

Rip stop scrim material provides excellent resistance to snags and tears.

28mm PVC/Nylon Scrim/PVC jacket, waist length

Jacket with attached drawstring hood

Take up snaps on the wrists.
