Product Name:
Spiral Spring

Product Code: LBNY-0003-1010028

Description:

Spiral Spring

Technical Specification:

Material: Stainless Steel

Usage: Industrial

Surface Treatment: Color Coated

Material Grade: SS304 Technique: Hot Rolled Overall length: 55mm. Coiled length: 20mm. Diameter: 15.5mm Wire diameter: 0.7mm

Coil opens at 20g with an extension of 40mm for 100g load
