**Product Name :**  
Beard Net

**Product Code :**  
LBNY-00017-11000732

**Description :**

Spun bond polypropylene construction is both durable and disposable for lasting reliability and maintenance ease.

Beard net protects products and areas from facial hair contamination.

Soft latex-free elastic loops around the back of the head holds net in place.

**Technical Specification :**

Beard Net
