Product Name :

White SMS Coverall with Attached Hood and Boot

Product Code :

LBNY-00017-11000885

Description :

SMS Coveralls are lightweight, breathable, and provide an ideal particulate barrier.
Durable, three-layer SMS fabric (Spun bond Melt blown Spun bond) protects against light liquid splashes and sprays and provides an ideal particulate barrier
Elastic back stretches with user for more comfort and better tear resistance
Possible applications include asbestos and lead abatement, mold remediation, manufacturing, assembly operations and more
Three-layer SMS fabric is lightweight and breathable
A wider, gusseted crotch gives the wearer more room to move in all directions without ripping fabric
A storm flap over the zipper adds an extra layer of protection, preventing liquids and other contaminants from entering through otherwise exposed zipper seams
With an attached hood and boots, you're protected from head to toe.
