

Email : sales@laboratoryinstrumentindia.com

**Product Name :**  
Constant Vacuum Carburettor

**Product Code :**  
LBNY-0005-1200001

**Description :**

Particular characteristics of the variable airflow cross-section  
Function of vacuum piston with jet needle  
Functions of damper piston, throttle butterfly, float with valve needle, fuel adjusting screw and idle-mixture cutoff valve

**Technical Specification :**

Constant Vacuum Carburettor

**Laboratory Instrument India**
