ĹŢ	Email : sales@laboratoryinstrumentindia.com
Product Name : Flame Propagation And Stability Unit	Product Code : LBNY-0005-1500002
www.laborat	toryinstrumentindia.com
Description :	
Butane, Methane LPG).	n a range of diameters.
Technical Specification :	
Smithells Tube: heat resistant glass tube and brass ac Safety: Gas control solenoid valve with foot switch. C circuit breaker. Igniter: Handheld manual.	dapter. combined overload cut out and on /off switch, earth leakage
