Product Name :
Reverse Bend Test Equipment

Product Code :
LBNY-0005-1530002

Description :

Features:

Safe: specimen bending directly into sealed test table, safe to operate.
Dust-proof: unique dust resistant unit protects ball screw from oxide coating.
Effortless: requiring only one operator, who clicks the buttons to perform tests.
Two-way hydraulic cylinder enables fast loading, unloading and withdrawing.
Equipped with waste collecting cart, reduces working effort.
One-step forming: this product bends specimen in one step during tests. Then applies side loads to form interference bend on the specimen to eliminate remaining deformation, accomplishing a bending angle of 180°.
Small footprint saves space for testing.

Technical Specification :

Reverse Bend Test Equipment
